

Motion to change the European Selection Rules

English Council approves the new European selection rules which:-

- replace advertising in Liberal Democrat News with advertising on the Party's closed website
- add a new gender rule in appendix 2 which means that the outcome of the final count will be adjusted to ensure that at least one of the top two candidates on each regional list is a woman. This applies when sufficient women candidates apply for selection and meet the basic selection criteria. In order to comply with this, all European candidates seeking selection must complete the diversity monitoring form.
